

FRA English Department Summer Reading

We require students to do summer reading to help them maintain their reading skills over the summer, engage their imaginations, and provide a common learning experience for students in the opening days of school.

Additionally, the required texts for each grade are linked thematically to the courses and help students and teachers establish a conceptual framework for the school year. All assignments are due the first day of school.

11th Grade Supply List

It is expected that all students will have capability to access the internet and print assignments at home.
