

FRA COVID PROTOCOLS 21-22

As of August 12, 2021, FRA will follow the COVID Protocols that the Georgia Department of Public Health released on August 10, 2021.

- Parents have the choice of whether or not their students may wear a mask to school.
- If the student becomes sick at school, they will be isolated with supervision from the other students. Parents will be notified to pick up the student immediately.
- If a student tests positive for COVID, they are to quarantine for fourteen (14) days. The student may return to school if they are symptom-free after quarantine.
- If a student is exposed to someone who has tested positive for COVID, the student does NOT have to quarantine.
 - As a parent, you have the right to choose whether to quarantine your child for up to ten (10) days.
 - Classwork will be provided through work packets and/or Google Classroom only. FRA will NOT offer virtual learning. When the student returns to school, all classwork must be turned in to Mr. Welch, Head of School, to be counted as an excused absence.
 - Students who are quarantined for any reason may not attend or participate in any school function or event. Quarantined students may not be on the FRA campus during the quarantine period.
- Frequent handwashing is encouraged. Hand sanitizer is available in the classrooms.
- Traditional water fountains will be closed. Students may bring their water bottles from home.
- Disposable plates and utensils will be used within the cafeteria.
- Only students and staff will be allowed to enter the buildings during school.
 - Parent-teacher conferences are offered after school hours and by appointment only.
- Cleaning protocols are provided daily for classrooms and buses.
- As a Georgia Association of Private and Parochial Schools (GAPPS) member, Flint River Academy will adhere to its athletic practices and sporting events guidelines.
- If any changes occur with the guidelines set forth by the Georgia Department of Public Health, parents will be notified.
- Parents, please notify the school immediately if your student becomes sick.
